

Healthy Break Cafe Business Proposal

Prepared for: [Company Name]

Prepared by: Healthy Break Cafe

Executive Summary

Healthy Break Cafe proposes a healthy food service for **[Company Name]**. We will provide fresh breakfasts, lunches, snacks, and beverages to employees at affordable prices. Our objective is to improve employee health, energy, and productivity.

Company Need

Many employees do not have enough time to find healthy food during the workday. They often eat fast food or skip meals, which can affect their health and work performance.

Proposed Solution

Healthy Break Cafe will deliver healthy meals directly to the workplace. Our menu will include sandwiches, salads, rice bowls, fruit, smoothies, natural juices, coffee, and vegetarian options. We can also provide catering for meetings and corporate events.

Benefits

- Fresh and nutritious food
- Affordable prices and corporate discounts
- Punctual workplace delivery
- Options for different dietary needs
- Improved employee satisfaction and well-being

Prices

Service	Starting price
Healthy breakfast	\$6 per person
Healthy lunch	\$10 per person
Snack package	\$5 per person

Special discounts will be available for large or regular corporate orders.

Implementation

First, we will identify the company's needs and create a suitable menu. Then, we will offer a one-week trial period. After receiving feedback, we will begin the regular weekly or monthly service.

Conclusion

Healthy Break Cafe offers a practical and professional solution for companies that want to promote healthier eating habits. We invite **[Company Name]** to try our service and provide employees with convenient, nutritious, and delicious meals.
